## A Visit To Hawkins indiana

Its early. Very early. The kind of early when the sun dosent shine. Jonas Gladston. 16 Year old Jonas had quite the day ahead of him. Coming From Tallahasee Florida a forest covered town wasnt at the top of his list for a new home.

Jonas "Mom why again did you pick here of all places to move here?"

Mom (Nicole) "Well Hawkns Power needed a new CEO Manager, So i offered to come here".

Jonas "Whatever"

Jonas just did his usual, sliding on his walkman and hitting play. The first song was always "Immigrant song" By Ledd Zeppelin. Something about that song made him happy.

~~~~~

The first day of high school wasn't the greatest. Jonas had to sit alone at lunch since he didnt know anyone. But luck may turn around.

? "Mouth Breather"

Jonas darted around to see a girl with long, Flowing black hair staring down a big guy.

? "What was that slut?"

Then out of nowhere the kid is thrown almost Fifteen yards across the room.

Jonas \*Whispering\* "What the hell?"

Then everyone stands up and claps for her. At this point he was so lost that he just stared at the crowd wondering what was wrong with everyone. Then she turns around, Blood trickiling down her...

My god was she a sight to see. Jonas got lost in her eyes and it had felt like he had been staring for hours. Then she was taken away by a kid in a light gray jacket and jeans. He already hated him.

~~~~~

Jonas had ran to the bike rack and then waited around the corner of the school... Eventually that girl walked back out with the same guy, She looked pretty pissed off.

? "Look im sorry Elle, were not as compatabile as we used to be.. I-"

Elle "Stop. I dont need your Bullshit"

? "Just understand that this isnt your fault.."

Elle "BECAUSE EVERYTHING IS MY FAULT? ISNT THAT RIGHT MIKE!"

Mike "No im not saying that everythi-"

Elle "GAH. LEAVE ME ALONE!"

She slapped him square in the face, gotta give it to her girls got balls. Elle... that named danced in his mind that night, there was something about her... Something... intresting.
